Stand in Sergeant Pete called order and we had an invocation.

President Bees called Helena to speak and she said she has 2 months to go. She is staying with Pete and Liane Markey. Attended Wingham Beef Week and won a ribbon. She is enjoying herself in Australia.

Next it was Mia Bowden to the microphone. Mia will be our YEP student for next year. She has her first interview this weekend in Walcha. Go Well Mia.

Mia is being coached and spoke very well. She is in Year 10 at GHS. Hopefully on exchange next year she said. She has completed another phase of The Duke of Edinburgh Awards. Bus to the Barrington Tops & Gloucester Tops the group were away for 3 nights & 4 days. They carried all their supplies. Food was dehydrated not nice but gave her energy. Mia's pack weighted 14 kg. Mr. Cavanaugh & Mia's Mum escorted the group. Mia hopes to exchange in France for Japan. She wants to experience different cultures. It was then open to questions from the members all relating to Rotary. Mia did very well with the answers.

John Faull Community Service reminded us we are cooking a BBQ Community Market 6th June.

Our Guest speaker tonight is Karen Miles This is her Life.

Karen said she was very nervous and this is her story.
From the Warrnambool area of Vic. Dairy farming family...3rd gen. School there then Geelong for 2ndry.

Trained at the Alfred Hospital Melbourne and post grad there in Male surgical then Operating Theatre (more weekends off)

She likes adventure. Central Australia – Alice Springs – camped at Ayers Rock.

Then back Melbourne & then NSW Royal Newcastle Hospital & Bourke which was terrific & locals are different the Alice Springs locals.

Back to Melbourne & The Alfred Hospital. Then overseas again Zurich (State hussy...Professor Yasargil world leading Micro-neurosurgeon.

Snow falling, so Austria..St.Johann-in-Tirol..male ward...here the language thing was VERY interesting !!

She would get up at 0500 and walk to work in the snow. The smell of the fresh bread shop was compelling. In the middle of the day we would all go skiing and then back to work. Christmas was beautiful in the snow.

When the snow melted she went to Munich but trouble with paperwork. 2 jobs offered in Munich...alas, no Residence or work permit.

To London (to apply for them and to work)

Summer...got permits but didn't want to work...off on the combi van Europe trip.

Back to London and worked in O.T for another year.

Accepted for O.T position in Hamilton, Bermuda but she did not take the job.

Home for a Christmas then back to London.

Eventually home to Melbourne St Vincent's Private and Jetset tours.

Sydney and St Vincent's Private, Maitland, Singleton, Lingard then Lake Macquarie Private.

She also started the Limousin and Stock horse breeding in 1981.

Great experience met so many people from all over the world. Casual work at the moment.

Karen joined Rotary after seeing Bees in his Rotary shirt and commented how she would like to be a part of Rotary.

Now living at Moppy/Bundook.

What a great story and Karen was thanked by Jane Deen and was given a Rotary glass.

A happy group of Rotarians.

Four Way Test

Of all the things we say and do:
 Is it the truth?
 Is it fair to all concerned?
 Will it build goodwill and friendship?
 Will it be beneficial to all concerned?
