Previous meeting

• Induction of new members, Lindy Dupree and Sean Reeves.

Brian 'invited' Sean & Lindy to join the worldwide organisation of Rotary. Lindy's classification is Travel & Tours whilst Sean's is Agricultural Machinery Sales.

The invitation to join a Rotary club helps that organisation balance its skills. A Rotary badge opens the doors to 34000 clubs around the world and it will allow you to build, coordinate, fundraise and use your skills to benefit someone else.

To help understand the world of Rotary, Ashleigh will be Lindy's mentor and Brian will be Sean's.

Update from Helena

Christmas was similar to home but there was no real tree! At New Year in Germany, everyone has their own fireworks. She spent a week at Port Macquarie and experienced sunburn – painful. She also went to the Tamworth festival and enjoyed the buskers. Grape picking was last weekend and she's now looking forward to going back to school.

Director's Reports

• John Faull – Community Services

Faulls Ridge harvest went well with 2.2 tonnes of verdelho grapes picked. Thanks to Stelz, Ash, Brian D, Don, Denver & Terry for doing the Australia day BBQ

 John Read – Vocational Services

Unsung Hero award needs publicity. An AGL grant is progressing for Stage 3 of the exercise equipment.

• Ashleigh – Club Services See calendar

A very lively fine session was run by Sargent Chris with interesting fines on booked grave sites. Chris is booked between Don and Graham. So from one side he'll have voices saying 'have you filled out the forms yet' and from the other, too much noise from partying.

Guest Speaker – Trudy Schultz from Accommodation Management, Gloucester.

Trudy started this business 4 years ago to offer high quality accommodation and keep guests coming back to Gloucester. She offers 24/7 contact.

At present she manages 11 properties and organizes a website, bookings, cleaning, food packs if required & maintenance. She has employed 1 staff member and is looking at a second. She charges a set-up fee and an hourly rate for each business.

People love Gloucester – the parks are wonderful and Barrington Tops exceptional.

Something for Fun – from Fred Myers

The guys were all at a deer camp. No one wanted to room with Bob because he snored so badly. They decided it wasn't fair to make one of them stay with him the whole time, so they voted to take turns.

The first guy slept with Bob and comes to breakfast the next morning with his hair a mess and his eyes all bloodshot. They said, "Man, what happened to you?" He said, "Bob snored so loudly, I just sat up and watched him all night."

The next night it was a different guy's turn. In the morning, same thing, hair all standing up, eyes all bloodshot. They said, "Man, what happened to you? You look awful!" He said, 'Man, that Bob shakes the roof with his snoring. I watched him all night."

The third night was Fred's turn. Fred was a tanned, older cowboy, a man's man. The next morning he came to breakfast bright-eyed and bushy-tailed. "Good morning!" he said. They couldn't believe it. They said, "Man, what happened?"

He said, "Well, we got ready for bed. I went and tucked Bob into bed, patted him on the butt, and kissed him good night. Bob sat up and watched me all night."

With age comes wisdom.

Four Way Test

Of all the things we say and do: Is it the truth? Is it fair to all concerned? Will it build goodwill and friendship? Will it be beneficial to all concerned?
