March 1st and the first day of autumn.

Notes from our great shed clean up & BBQ we had 13 Rotarians, Ida & Paul Collett. The BBQ trailer was moved to the outside and wow off we went clearing everything out as new shelving was to be installed. Many hands make light labour all cleared and loaded into Pete Markey's horse trailer. Thank you Pete it was so easy to load. John Faull brought along a generator so the shelving was cut to perfection.

The mossies started to attach during our delicious BBQ steaks, onions & cole slaw so we had to leave by dark. John Faull cooked the BBQ.

Please enjoy the pictures.

Thank you from President Sharee for all the help & Tim Tams.

Happy workers, the shed slowly being cleared.

How good does this look? well done everyone.

The finishing touches by Grahame and the loaded horse trailer.

THE CONFESSION

Hi Bob, This is Alan next door. I'm sorry buddy, but I have a confession to make to you. I've been riddled with guilt these past few months and have been trying to pluck up the courage to tell you to your face, but I am at least now telling in text as I can't live with myself a moment longer without your knowing. The truth is I have been sharing your wife, day and night when you're not around. In fact, probably more than you. I haven't been getting it at home recently, but that's no excuse, I know. The temptation was just too much.... I can no longer live with the guilt and I hope you will accept my sincerest apologies and forgive me. I promise that it won't happen again. Please come up with a fee for usage, and I'll pay you.

Regards, Alan.

THE ACTIONS

Bob, feeling insulted and betrayed, grabbed his gun, and shot his neighbour dead. He returned home where he poured himself a stiff drink and sat down on the sofa. He took out his phone where he saw he has a subsequent message from his neighbour:

THE SECOND MESSAGE

Hi Bob, This is Alan next door again. Sorry about the slight typo on my last text. I expect you worked it out anyway, but as I'm sure you noticed that my Autocorrect changed 'Wi-Fi' To 'Wife'. Technology hey?!? Hope you saw the funny side of that. Thanks Alan
