The coin was tossed and the GHS won and speaking in the affirmative
GHS

1. Scott Davis waxed on about Disneyland and Church Street could be a similar set up.

Rotary

1. Ray Martin spoke about the history of shopping Centres in New York – close main streets for malls closes shops in these areas – malls cost money in security costs etc. etc. Malls are expensive.

Time out to buy tickets for Bribes.

GHS

2. Callum Provide a place for the concerts and buskers. Stop motor bikes from parking in the main street, Teachers will have a place to sit.

Rotary

2. Chloe – Do not need more cafés. Not enough Pedestrians. Tourists need to park near to shops and cafes. Lead to parks turning into parking areas. No! No!

Danny Green from Council was asked to comment. The Mall would allow us to have traffic lights and parking meters. Feedback please.

Claire Reynolds representing Leading Appliances. A huge business for us we would have electric scooters so the customer can wiz up and down the mall.

Marcia Channell spoke and she agrees with Chloe.

GHS

3. Mike King Meeting places are malls. Correct errors. Making too much sense we need a mall.

Rotary

3. Ashleigh Malls cost too much. Very illogical but well spoken. We will all be flooded.

Young from Gloucester Pharmacy – good for the pharmacy.

Jane Deen from Garners Home Hardware – more business for her end of town.

GHS

- 4. Pat Cavanagh – Grand Prix around the Mall in scooters. More cafes the better. Gloucester in Welsh means place to walk to cafes.

Rotary

- 4. Chris – Walkies no Roadies. Can do without the bikes. Aussie jokes lost the plot.

Voting GHS 114 Rotary 86 \$250 raised for the SRC.

The night was such fun and full of speakers raving on to get their message across. All spoke well but Ashleigh got the town crier award it there was one.

Four Way Test

Of all the things we say and do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and friendship?

Will it be beneficial to all concerned?
